Preparation for Publication webinar

14 August 2024 | 9:00-12:30

Join our upcoming Preparation for Publication webinar, designed to equip you with the introductory skills needed for successful academic publishing from your postgraduate research. Explore the challenges unique to academic article writing, understand the publication process, and master productivity planning for article writing. Gain insights into what makes for a quality academic article and how this is a unique genre of writing compared to a thesis or dissertation.
